

CELEBRATING OUR FIRST ANNIVERSARY

On the First Anniversary of the Grand Opening of our Mabuhay Credit Union branch in the City of Carson, CA, we would like to extend our sincerest appreciation to our community and our SEG/Association partners for the support you have shown us this past year.

You are the reason why we opened this new division of Nikkei Credit Union, which we're very proud to say is the very first full-service financial institution to cater to the financial service needs of the Filipino-American community throughout the South Bay area and beyond.

We are committed to our mission of "Advancing Prosperity for Our Mabuhay Community," so please contact us at 888.MABUHAY (888.622.8429) or via email at info@mabuhaycu.org for more info.

SUMMER 2020

#NikkeiCares #MabuhayCares

Nikkei Credit Union donated lunch to healthcare workers at Harbor UCLA Hospital.

Our credit union is grateful for the support of our generous members. During these unprecedented times, we have come together as a community and given back with acts of kindness. Recently, we partnered with Silog Restaurant and donated meals to health care workers at Torrance Memorial, Gardena Memorial, and Harbor UCLA Hospital.

Connect with Taku Hanada at thanada@nikkeicu.org for Nikkei or Fred Docdocil at fredd@mabuhaycu.org for Mabuhay on suggestions on how we can further help our communities.

EMPLOYEE SPOTLIGHT

Meet this quarter's Employee Spotlight, Taku. For the past 15 years, Taku's upbeat attitude and dedicated work ethics have helped advance the prosperity in the Nikkei and Mabuhay communities. Here are some fun facts about him:

What separates Nikkei from other financial institutions?

I believe our history differentiates our credit union from others. Nikkei was formed as Gardena Valley Japanese Credit Union in the 1950s, when it was extremely difficult for Japanese Americans to obtain financial services. The legacy that our Members, Employees, and Board Members have set for us is amazing. Today, it's amazing to see the growth of our community, Nikkei Credit Union and Mabuhay Credit Union. I'm very happy to know that we are truly Advancing Prosperity for Nikkei and Mabuhay Communities!

What is your favorite past time?

Hanging out with my kids, watching basketball, and listening to music.

What is your favorite music genre?

As a music lover, this is impossible to answer. I definitely get in moods depending on many factors. Right now, I'm into old Classic Country, Reggae, Afro-Cuban, and music from Africa.

If there was any problem in the world you could fix what would it be?

It would be great if we can eliminate all diseases - especially those that affect children.
